Subject: Statoil Eisenbarth Project Coordinator
Steve Tink Resume 9-14.doc

Mr. Justice,

Per the Administrative Settlement Agreement and Order On Consent for Removal action in the matter of the Statoil Eisenbarth Well Pad Site near Clarington, Ohio I am providing 24-hour advance notice that Steve Tink will be assuming the role of Project Coordinator. Steve Tink's qualifications are attached.

I am transitioning from involvement from this project, so this is a Project Coordinator replacement rather than temporary substitution for myself in this role. It has been a pleasure working with you.

Additionally, Dee Cochran is also transitioning from project involvement. Please contact Steve Tink for all matters related to the Eisenbarth Well Pad.

The following is Steve Tink's contact information:
